

Welcome to the Sedona - Verde Valley Chapter of NAWBO!!

We appreciate the time you've taken to explore membership in NAWBO. Because our chapter is comprised of talented, caring individuals who represent a wide variety of professions, we can offer you advice, support, and education. We support all of our members through ongoing business education both in our luncheons and in workshops offered throughout the year. Because of our affiliation with National NAWBO as well as some of our local members who own national and international businesses, we offer the unique advantage of opportunities to connect with other local, national and international business owners.

For more information and a list of our members, visit us at www.nawbosvv.org.

If you have questions, please contact our Membership Chairperson, Carla Trujillo, 928-300-7980, membership@nawbosvv.org or President Sandy Barrett, 928-284-4197, president@nawbosvv.org. Or while you're at one of our events, just ask! You'll find NAWBO members approachable and happy to share what they know.

We welcome you as a guest for up to 3 visits of our monthly meetings, networking events or educational workshops before becoming a member of this dynamic group.

We look forward to seeing you at our functions, and getting to know you and your business!

Sincerely,

Sandy Barrett
President 2009-2010
